## **WHAT IS THE COMMUNITY DISCOUNT PROGRAM?**

As you may know, Potomac Garden Center (PGC) maintains the common areas of your community. We have created this Community Discount Program to provide **Exclusive Discounts** to each homeowner within your community. This special offer is available only to communities where PGC provides Landscape Maintenance Services. Our goal is not only to maintain the common areas, but provide real value to each household within the community.

Thank you for allowing us to be of service to your community.
